

# Dusan Nestic

PHP Junior Web Developer

## About me

I've recently started my developer career and education. To be honest, I didn't know that I like developing, and Bootcamp has helped me to discover my other side. My main goal is to grow and learn as much as I can and become a respected member of the IT industry.

## Courses

### [IT Bootcamp](#) - PHP WEB DEVELOPMENT

4/2023 - 7/2023 (190 classes)

- Enrolled in a prestigious Bootcamp, focused on web development.
- Engaging in hands-on projects and exercises to apply learned concepts and develop practical skills.

## Skills

- HTML 5
- CSS/(Bootstrap)
- Relational Databases: SQL, MySQL
- PHP (OOP/MVC, CRUD operations)
- Team Collaboration: Git and GitHub
- Laravel
- API (basic)
- JavaScript (basic)

## Languages

- English(B1-B2)
- France(A1)

## Contact

## PROJECTS

**Project name: Euro 2024 Blog** | [CODE](#)

(Inspired by the 2024 UEFA European Football Championship in Germany, I have created a small, simple blog web application. On this platform, users can share their photos and experiences from the championship, as well as comment on posts by others.)

**-Tools: PHP OOP, MySQL, HTML, JS, JQuery, Bootstrap, CSS, API**

**Project name: Movie Library** | [CODE](#)

(This is a web app for managing private film collections. Users can organize movies, rent them out, track rentals and debts, and apply late fees. It offers Serbian language localization for user preference.)

**-Laravel**

**Project name: System Management** | [CODE](#)

(An application as a gym management system, designed for registering new members. It includes a system that monitors the expiration of members' subscriptions and sends notifications if the subscription has expired.)

**-Tools: PHP, HTML, Bootstrap/CSS, PDF Generate, PHP Mailer.**

**Project name: E Commerce Shop** | [CODE](#)

(The web application is designed as an online store for sports equipment with a simple ordering process. It also includes an Admin dashboard, CRUD system with live notifications.)

**-Tools: PHP OOP, MySQL, HTML, Bootstrap /CSS, JavaScript, Pusher, PHP Mailer, PDF Generate.**

## EDUCATION

### Faculty of Applied Security

**Institution: Educons University, Sremska Kamenica.**

- Master studies
- Basic academic studies

## WORK EXPERIENCE

### Material supplier

September- October 2022,

September- December 2021

- I worked abroad as a material supplier and took care of the needs of the worker.

### Volunteer work at a Gym

- Communication with clients and giving feedback.

**Worked every summer abroad during studies**
